

We live in a self-centered culture with an attitude of entitlement. From the decisions we make to the things we say, our lives reflect an abundance of me. This we-centered culture is in opposition to II Corinthians 5:14-15 which says: "For Christ's love compels us, for we are convinced that one died for all therefore all died. And he died for all, that those who live should no longer live for themselves, But for Him who died for them and was raised again."

This summer we will address the "we-centered culture" of today's youth by challenging students to understand that we were bought with a price by the death of Christ and the life we live belongs to Him. We are called daily to selflessly submit to Christ. We are called to excuse ourselves out of the way so that God gets the glory. This summer we will learn what it means to Excuse-Me!...

**Ponderosa Overview**

Ponderosa, also known as Pandy, is our flagship camp at Hume Lake for high school students. One of the many things we love about Hume Lake is the opportunity to get away from the busyness and distractions that young people face on a daily basis and have an incredible camp experience. When you come to Pandy, you will hear the gospel preached, be challenged through scripture, engage in sweet worship through music and get some time alone, and with your church, to process what God did in your life up here at camp. Hume Lake takes pride in its high energy recreation allowing kids to be kids. That includes things like playing in the mud, running the gauntlet, doing the bike jump, and dominating in Kayabe Kan Kan. If you allow it, a week at Ponderosa can and will change your life forever. We look forward to seeing you this summer!
